

REMARKS

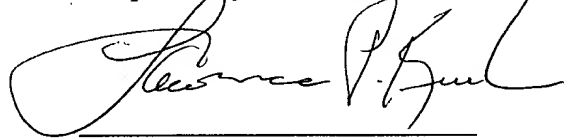

Claims 56 - 75 are pending in the instant application. Claims 1 - 55 have been cancelled.

As now amended, the claims are considered to recite subject matter not found in the references of record, taken singularly or in combination. The Examiner is referred to Applicant's comments spanning pages 3 and 4 of the paper filed July 5, 2005 and to the Examiner's response in the first paragraph of page two of the Advisory Action of July 27, 2005.

Applicants further continue to assert that there is no motivation within the prior art for the combinations of references applied by the Examiner in the Final Rejection.

Examination and favorable action are solicited.

Respectfully submitted,
